N O T E.

With reference to the statement of the Senior Surgeon that the Head quarter Assistant Surgeon "has had scarcely anything to do beyond 'waiting on'" I may -- perhaps be permitted to point out that much of the work which he has to do, even in the professional line, does not attract attention. Besides attending on the members of Government, the Secretaries and the large establishment of the Secretariat, his ---- duties require him to attend also on the students of the College hostel.

I understand that every day, he has to deal on an average, with about forty - patients. This is not a small -- number. He has moreover to attend, not infrequently, on distinguished persons who - come to Bangalore or Mysore as 'State ---- Guests'. For example, he very recently attended on the Cooch Behar party for a number of days, both morning and evening.

As far as I can testify, he is fully in touch with medical work. Like many --- other Assistant Surgeons in the service, it is true he has no opportunity of doing --- much surgical work, but for this he is not responsible.

For these reasons, I venture to submit, with all respect that Mr. Nanjappa's work does not amount to merely 'waiting on'.
